

Glendale Quilt Guild
QUILT EXPO & RETREAT
March 13 and 14, 2015

Dear Prospective Quilt Show Vendor,

The planning has already begun for **Glendale Quilt Guild's 36th Annual Quilt Show** at the Pasadena Convention Center. For those of you familiar with the Pasadena area, the Convention Center is located on Green Street right behind the Paseo Mall. The show days/dates are **Friday, March 13th and Saturday, March 14th, 2015**. One of the many benefits of the convention center location is one very large exhibit hall.

The theme of the 2015 show is "**Home Is Where The Quilt Is.**" Quilts, dolls and other exhibits will be on display. The quilts are professionally judged. Show events include workshops, lectures, Opportunity Quilts, special drawings for sewing machines, children's activities on Saturday, and a Quilt Retreat Package.

The vendor mall is an essential part of our show and we like to offer a wide variety of vendors for our attendees. The quilt show hours will be: **Friday 10 - 6 and Saturday 10 - 5. Since exhibit space is limited our goal is to bring in exciting vendors.** The professional services and exhibit space at the venue provides the perfect opportunity for you to make your booth look new and enticing to those eager shoppers.

We ask our show vendors to donate a door prize with a value of at least \$25.00. Door prizes will be collected on Friday before noon. We are continuing the popular program called "**Shopper's Reward**" drawing. Shoppers will receive a raffle ticket for each \$25.00 in purchases (does not include merchandise sold in the Guild's Boutique). During each day of the show, several raffle tickets will be drawn for baskets containing the door prizes donated by vendors.

We hope you will consider being a part of this extraordinary and fun-filled show. **Notification of selected vendors takes place on or before September 30, 2014.**

We will offer a 5% discount on booth fees paid by December 1st. The enclosed Exhibit Space Application must be returned by August 31, 2014 to Kathi or Craig.
