Meet Allyson Allen: Textile Artist, Author, Instructor Presentation: "Quilted Pages" Trunk Show

Our speaker at the February General Meeting is Allyson Allen. Allyson uses traditional materials to create unique, dimensional textile art, quilts, dolls, & handmade books. To quote Allyson, "The characteristics of my unique, original story quilts are considered information art. My quilts combine art, craft, research, original design, history and culture in traditional and contemporary pieces exemplifying a cross-disciplinary approach to quilt making. My work often references American history, social issues, African folklore, or Black history. Many of my quilts are created specifically for storytelling presentations. My handmade quilted journals usually incorporate recycled materials, fabric, and stitched paper elements."

A former high school English and Special Education teacher who for over twenty years has been teaching quilting and doll making through state funded programs in public and private schools, Allyson also teaches at quilt shows, quilt retreats, for quilt guilds, and on multi-guild quilt cruises. Her workshop venues have included the Disney Music Center, the California African American Museum, the African MarketPlace & Cultural Faire, and the California Craft & Folk Art Museum. Her work has been commissioned by entertainers, dignitaries, and organizations across the country. Allyson's quilts, fiber art pieces, and handmade journals have been featured in numerous newspaper articles, exhibit catalogs, and books. Exhibit venues include galleries, cultural centers, museums, and art venues throughout the United States as well as in Canada, Europe, and Africa. She is a multiple California Arts Council grant award recipient, twice nominated for NEA National Heritage Fellowship consideration, and has been recognized for more than a decade as an award-winning Master African American Quilt and Doll Artist by the state of California. She is a Special Exhibitor, lecturer, and instructor for Mancuso National Quilt Shows.

The President's Block

Are We Having Fun Yet? Great Start to 2017!

The price financially to belong to our guild is very low. The fun and value from volunteering with motivated people who are excited about what they are trying to achieve is priceless!

When our guild began in 1984, the membership dues were \$12. In 1997, when Susan Edwards joined, the dues were \$25. In 2002, when I joined, the dues were \$30, and there they have remained.

How then, does our guild manage to have the same quality programs, fabulous speakers and workshops, pay rent on a facility once a month and donate over 500 quilts?

One of the main reasons is the many volunteer hours put into our annual fundraisers. The Glendale Quilt Show plus last year's bazaar and Alex Anderson event have been outstanding, keeping our Guild running in the black and providing the funds for all of the activities that we all enjoy.

Another savings and opportunity for our guild, comes from WAC (The Women's Athletic Club of Glendale). Because 30 or so Guild members pay WAC membership fees and actively participate in the WAC board and assemblies, our whole guild benefits. Our guild has workshops, Loving Hands workdays and meetings at no extra cost to the guild. In comparison, several years ago, before some guild members joined WAC, when checking for places to hold workshops, we ran into figures of \$200 and more to rent all day for workshops. If we just count the monthly two days for Loving Hands and Workshops that is a savings of \$4800 per year. And as a bonus, we are able to go to Monday Sew and benefit from meeting delightful WAC members who have so much historical knowledge about the area.

Thanks to our Program/Workshop team, we started out 2017 with a great presentation and trunk show at the January meeting by Josephine Keasler, who was very entertaining. (She also gave us a very good price on her fee and travel, plus filling in at the last minute due to an unavoidable health related cancelation of a previous speaker.) This team of volunteers has worked extremely hard to schedule programs and workshops that educate and entertain us and still keep within budget.

We were able to get a bus to Road for 50 people, 40 of those guild members, at no cost to our guild.

All it took was a few people to donate their time. If you haven't been involved or aren't volunteering for any guild activity at the moment, think about what value you get from our guild so when a job that comes up that needs doing, consider raising your hand. We are all a team and we need everyone in our guild to be a part of it. Plus it is a blast to work with such fun, enthusiastic guild members. Don't miss out!

Happy Quilting, Colleen Shier

Quilters Division of Women's Athletic Club (WAC)

The Quilters hosted the January luncheon and Dr. Lynne Davidson presented a video on the services the 2020 Project birthing clinics in Kenya provide for the rural population. Everyone enjoyed a luncheon of stew and cake made from our local ingredients, but from Kenyan recipes. African artifacts decorated the clubhouse.

In "On the Town" by Joyce Randall in the Glendale News-Press, she featured the WAC and its members at their annual December Tea. The article is dated Wednesday, December 28, 2016, and features photos of our members. Fifty quilts were donated to the Glendale YWCA Domestic Violence Shelter.

Susan Edwards says, "If you are in need of an ego boost, the WAC luncheons are the place to be. These nice ladies are so complimentary and a joy to be around. I cannot help but smile when I am there."

It is also that time of year that we start thinking of next year's WAC officers. The first step is selecting a quilter who is not a WAC officer to be on the nominating committee. Susan is the chair of the nominating committee. An Burgess was our rep last year, so she is not eligible for the committee this year. Do I hear any volunteers for this committee? Please contact Susan Edwards.

For those who belong to WAC, Monday Sew is every Monday from 9:00 AM to 4:00 PM. Everyone is welcome!

Loving Hands Activities

At the January guild meeting, a couple of quilt tops were turned in, created by Cathy McNassor and Mary Bolas. And 31 finished quilts were turned in, completed by Ann Bagne, Lisa Burroughs, Crystal Dudley (5!), Cathy McNassor, Annie Raycraft, Donna Ryan (12!) and Alice Turner (5!).

Additionally, Dona Garding donated two completed flannel receiving blankets to start our next collection. And Pat Golditch donated some fun, vibrant fabrics to use for the strips in the campers' quilts that we will be making. In the past month, Loving Hands also received yet another sizable fabric donation from the ladies at Candy's Quiltworks.

Please remember that Loving Hands now meets the third Friday of the month. So in February, the regular work session will be on Friday, February 17th at the WAC. What we do on that day will depend upon how much progress we make on our quilts-for-campers project on January 20th & 31st. We hope to see you on the 17th!

Sunshine and Shadows

Sunshines: Congratulations to Bonnie Marshall-Creel, who had a quilt accepted by Road to CA!

We were delighted to have GQG member, Gail MacCartney, visiting us from St. Louis. Annie Laurie Babson is enjoying her winter months with us, and will return to her home in Maine during the warmer months.

Candy's donated a huge amount of fabric to Loving Hands, which includes tone-on-tones. We are grateful for Candy's generosity in supporting the Glendale Quilt Guild and Loving Hands.

Shadows: Alice Turner took a fall in November, and tore her right shoulder. She had her shoulder joint replaced just before Thanksgiving. She still managed to sew on a binding by machine, shortly after her surgery. We hope she will continue to heal and be back quilting very soon.

Harriet Sartinsky tripped over a hose in her back yard on January 11th. She broke her kneecap and has a black eye. She landed on her sternum, which has made her very sore. We send her prayers for healing and recovery.

Violet Bos tore her right bicep while picking up her dog. We hope her injury heals soon.

Peggy Schiffman had Carpel Tunnel surgery on January 16, 2017. We wish her a speedy recovery and hope she will be back to quilting soon.

Jean Giacomelli had lumber surgery on January 13th. We hope she has a speedy recovery and will be up and around soon.

We were saddened to learn that quilt instructor (Guildshow.com) and quilt blogger, Sue Garmen, died on January 9th from lung cancer.

Update: I tried to send a card to Loretta Bradley, but it came back. Thank you to Sharon Bishop for calling Loretta to find out how she is. She moved a few months ago. Her new address is: 1945 N. Kenmore, Los Angeles, CA 90027. Her telephone number is [323-899-5993](tel:323-899-5993).

If you have any information for Sunshines or Shadows, please contact Mernie Meier at Funygrl@gmail.com

**SCCQG 2018 Road to California Special Exhibit
"Emerging Light"**

Here's your chance to have one of your quilts in Road to California 2018. The "rules" for this wonderful opportunity called "Emerging Light" are available in the box to the left and questions should be directed to the email address listed below.

Because you are a member of the Glendale Quilt Guild and our guild is a member of the Southern California Council of Quilt Guilds...you may have your quilt in the special exhibit. So...get started on your quilt...you have 7 months to complete it.

The challenge is to create a quilt that illustrates the concept of "Emerging Light" in some form. Consider the possibility of light appearing within a traditional set of blocks, a modern composition, or an art statement. Any quilting technique from traditional block(s), appliqué patterns to modern modes, or mixed quilting techniques can be combined into the quilt.
