August Program

Ah, August. Summer is winding down and your kids or grandkids are about to go back to school. It's a great time to pause, take a breath, and enjoy special moments with friends. That's true for our Guild program on Wednesday, August 14th. Instead of hosting an outside speaker, we've invited a few of your favorite members to show you special techniques they've created or discovered. There might even be a tool or two you haven't used before! Following the business part of the meeting, there will be four or five stations around the room, and each station will feature a unique demonstration. Every 10 – 12 minutes, a bell will sound and you'll move to another station to see what's offered there. Hopefully everyone will go home with at least one new idea you're excited to try. Kathi Wilson will show you amazing things to do with the pieces of selvage you used to throw away.

August Workshop

Hooray for holidays! This is a day for you to concentrate on what we all look forward to most – holidays! Use this low-cost Open Sew day to get a head start on your Christmas projects, or use the time to create quilted items to be used for other holidays like Halloween, Thanksgiving, or the 4th of July. The choices are endless! In addition to your normal supplies, please bring one or two holiday-themed projects for Show 'n' Tell, and bring a holiday-themed pattern for others to look at for inspiration. Consider attending with a couple of your 'I'll-never-get-to-that holiday fabrics or notions' to swap with your friends. We'll provide salad greens if you'd like to bring sides to go with them for lunch. *Several* door prizes will be awarded during the day to those who are present. Cost is only \$10 per person for members and \$15 for guests, so sign up soon. We can only accommodate 24 people at this workshop, and we really want you there.

The President's Block

Come out come out wherever you are. Cindy Tanaka and I have been doing inventory of the guild belongings in our storage unit. It occurred to me that there may be guild belongings being stored by some of our members for safe keeping. In order to have a complete record of our assets, please let me know if you have anything belonging to the guild. Now is a good time to check those boxes in your garage or in your attic. I appreciate your help in making sure that we know all that we have in our inventory. I can arrange to have the items picked up and brought to our storage unit. We are specifically looking for quilt show hanging supplies which include a hacksaw. But I'm sure there may be some surprises waiting for us.

After the guild meeting in July I traveled to Oregon for a family visit, and also to visit a friend in Sisters. It was not a coincidence that I planned my visit to coincide with the annual Sisters Outdoor Quilt Show! The quilts are hung on the outside of the businesses on the two main streets in town, plus the connecting streets. They are hung in the morning and taken down in the evening. I spoke to a person who is on the emergency quilt rescue team. Their job is to rehang quilts that come loose during the day and monitor the weather. There has been only one year in the history of the Quilt show that the quilts have had to be taken down due to rain. It took only 45 minutes to take down over 1000 quilts when a rain storm broke out. Attendees of the Quilt show helped to protect the quilts from the rain. All quilts were accounted for in less than two hours, a record time. It made me glad that our Quilt show is held indoors.

Another interesting tidbit from the Sisters quilt show was the for sale tags on many of the quilts. Entrants can specify whether the quilt is for sale and the price. If you are interested in purchasing the quilt you simply remove the tag and take it to the quilt store. Purchased quilts are picked up some time after the end of the show. The most expensive quilt that I saw was priced \$5,000.00! I saw many tags being removed so some folks were going home happy with a new quilt. The quilt show had a large variety of quilts in many styles. It was obvious which classes had been given in the area due to the variety of duplicate quilts in the same pattern. I enjoyed seeing many quilts which I had not seen before. The quilt show also made me consider what quilt, or quilts, I want to finish in time to be entered into the Glendale quilt guild show in March. I know many of you will be considering the same thing.

It was a pleasure to meet up with other guild members Kathi Wilson, Craig Coleman, and Cyndy Coleman in town and to grab a quick picture. My sister, Julie Blomdahl, is also a member of the guild.

I truly enjoyed our July speaker Connie Rohman. Her topic, the last language of quilts, was inspiring and timely. I hope many of our members were inspired to try some of her techniques in our upcoming challenge quilts!

I hope all of you are enjoying this beautiful summer and I look forward to seeing you at the August meeting.

Happy Quilting!

Tim Spinn, Glendale Quilt Guild President

Fundraising Committee Help Wanted:

Graphic artist needed: Dear Members, as of this writing Rasa and I are trying to meet a deadline for an ad in The Country Register. We thought there must be someone in the guild to help us create pleasing visual art. **Are YOU that someone?** Please share you talent with the guild to create artwork for ads, postcards, posters, banners, etc., to promote our upcoming quilt show. Rasa readshop@roadrunner.com or Caren mrsryan@usa.com

Placing Ads: I have placed an online ad with Westways magazine (AAA) advertising our show. If any of you have other leads about where to promote our show please let me know. Of course pursue any free advertising or let me do it if you can just give me the lead.

Postcards: Consider taking postcards to all places that you shop or patronize INCLUDING QUILT SHOWS. **Anyone going to PIQF?** Many businesses have a designated shelf or a bulletin board. If you need more postcards please let Rasa or Caren know. Rasa readshop@roadrunner.com or Caren mrsryan@usa.com

Donations: If you would like to donate a quilt to the fundraising committee we are using them to sell at the Opportunity Quilt presentations. When people see our quilt they want to buy one for themselves. Wall size is affordable for non-quilters.

Loving Hands: GQG's Charity Division

Nineteen Loving Hands volunteers were seeing Stars and Stripes during the **June 21st workshop**. Patriotic themed charm packs, previously sewn into four patches, were set on point, then finished with a border to make quilt tops. Kathi Wilson, generously donated her skills throughout the day enabling us to finish five Veteran sized tops. Other regular LH activities; cutting kits, squaring up quilts, cutting bindings and enjoying each other's company and sharing a meal, rounded out the day. **Leah Bessey, Sharon Bishop, Doralee Dohnel, Alice Hsu, Cathy Euler, Tim Spinn, Beverly Underwood, Crystal Dudley, Margot Ettl, Marie Watterlond, Aviva Nizani, Antonette Raycroft, An Burgess, Maria Rodriguez, Monica Carrillo, Kathi Wilson, Kate Ung and Susan Edwards** are to be thanked for their sewing skills and the tremendous donation of their time during this 10 AM to 8 PM event.

Alice Turner graciously volunteered to journey to Big Bear on July 8th to deliver 35 camp quilts to Laura Landacker, founder of Seven Stars Foundation. This organization provides one week of camp at the YMCA Camp Whittle at no cost to Gold Star Kids. Each child gets to take home the quilt that they are given to use when they arrive. This is GQG's third year donating quilts to this worthwhile program.

July's General Meeting finished projects were impressive, with 13 totally completed quilts, 20 quilts just needing binding, flannel blankets, six pieced tops (including a twin sized appliqué top made by **Leanne Compean**), and a big bunch of Veteran Heart Pillows. Oodles of thanks go to **Flo Cohen, Aviva Nizani, Dona Garding, Dottie Ahrens, Kathy Fogel, Alice Hsu, Maria Rodriguez, Kate Ung** (16 quilted this month!), **Elke Miyahara, Elvie Quintos, Joyce Li, Beverly Underwood, Susan Washburn, Leah Bessey, Donna Ryan, Alice Turner, Crystal Dudley, Homa Asif, Lucy Agajanian, Violet Bos, Lisa Burroughs, Robin Lee Hansen and Marie Watterlond** for either turning in completed projects and/or taking something home to work on.

The **August LH workshop** will take place on **Friday, August 23 from 10 AM - 3PM**. Everyone in GQG is welcomed. Bring a friend. Come for a short while or stay the day. There is plenty to do. You might learn a new skill. Better yet, you might get to meet or learn more about a fellow quilter.

Always remember, **LH Volunteers, you are talented, you are appreciated, your work is valued, and you do make a difference.**

“Say It with Words” Quilt Challenge

Get ready for another challenge to stretch your brain and inspire us with design and words. The size is 16” x 20”, it requires you to use all of a 5 inch circle (you can cut it) and at least ONE word or a quote, thought, etc. You can use fabric (appliqué or piecing), pen and ink, stamps, and other art media to write your message.

Viewer’s Choice ballots will pick winners, but all quiltlets will be displayed at the American Legion Hall in October and at *Stitches* in Pasadena in November. Your challenge piece is due at September’s general meeting. Circles will be available at August general meeting. Questions? Contact Elke at 323-256-2152 or elke.miyahara@gmail.com

Membership

Forty-eight members attended the July meeting. We also welcomed a visitor, Dr. Elena Blicher, guest of Flo Cohen and friend of the speaker, Connie Rohman.

Another twenty quilters renewed their memberships. Renewal forms may be downloaded from the website and will be available at the sign-in table at the August meeting. The General Meeting on August 14th is the deadline to renew in order to continue to be listed in the Roster.

The Board decided at the last meeting to remove birthdates from the Roster for security reasons, but they will continue to be printed in the newsletter.

Often new members and visitors come just once and don't return. It was suggested that if they had someone they knew to sit with and explain the programs, they might feel more comfortable coming back. Several people volunteered to mentor newbies, introduce them around, and answer questions for a couple of meetings.

Roger Velarde drew prizes for attendance, car-pooling and badge-wearing. The winners were Louise Rupp, Maria Rodriguez, Sherryl Zurek, Masako Smith and Nancy Turney.

We look forward to getting to know you all better. Please don't hesitate to contact us if we can be helpful in any way!

Our 2020 Opportunity Quilt

At the July meeting, guild president Tim Spinn announced that my California Poppies quilt has been chosen for the guild's 2020 opportunity quilt. You may have seen it at the April guild meeting. It was on display to support that month's raffle when a copy of the pattern and the fabric to make it were the prize.

The design has been tweaked to be queen-sized (96" x 96"). So instead of three sizes of poppies (as seen on the left) there will be five sizes of poppies (as seen in the illustration below.)

The quilt will be made by GQG members and, ideally, with fabric donated by guild members. Please bring cotton fabric of any shade of orange and/or dark green to the August and/or September guild meetings.

There will be at least two block-making sessions for this project at the Glendale Women's Athletic Club.

Those sessions are scheduled for:

- Wednesday, August 28th, from 10 AM – 4 PM and
- Wednesday, September 18th, from 10 AM – 4 PM

The poppy blocks are made using the paper-piecing method. But if you don't paper piece, don't let that dissuade you from being part of this all-guild effort. If you've ever wanted to learn or would like a refresher course, I will be at both

Our 2019 House Block-of-the Month

At the July guild meeting, fourteen creative blocks were on display in our BOM gallery, all featuring the “Power House” theme. There was quite a range this time in the interpretation of the theme. Some makers went with a literal interpretation, as seen in a variety of electrical power sources. Other blocks featured super heroes. Still others featured a church, a gym and a sewing studio.

Top row: Kathy Fogel, Kathi Wilson, Barbara Gibson

Second row: Maggie Llamido, Crystal Dudley, Bonnie Marshall-Creel

End of first & second rows: An Burgess

Third row: Rebecca Fletcher, Margot Ettl, Dottie Ahrens, Tim Spinn

Fourth row: Nancy Turney, Tina Curran, Mary Jamora

In my absence, Kathi Wilson randomly selected the next Block of the Month house theme – “Country House.” This is the program’s sixth house theme,

after “Open House,” “Summer House,” “Dog House,” “Dream House” and “Power House.”

Using the pattern and instructions available either as a hand-out at the meeting or on the GQG website, participants are asked to make a 12-1/2” x 12-1/2” house block using the “Country House” theme – however they wish to interpret it. The provided pattern as the basis for your block but can and be tweaked if/as desired, or ignored. Additionally, the fabric choices and any embellishments (if added) should reflect the “Country House” theme.

Participants should bring their “Country House” blocks to the August meeting. Upon arrival at the meeting, please turn in your block to “The BOM Gallery,” where all the blocks will be on display. This way, everyone can see how this house theme was interpreted by all the participants. During the August meeting, the seventh house theme will be randomly selected and announced. At the end of the meeting, everyone will take home their own “Country House” block.

If you did not participate last month, or at all as of yet, feel free to catch up -- or just do the blocks you want to do. It will be fun to see the blocks turned in at our next meeting.

It will be set up to be fillable so you can type in information and print directly from the website.

Communications Secretary/Bishop: No report. Never heard about services for P. Grimm.

Parliamentarian/Miyahara: No report

Programs/Workshops Cohen-Turney (Spinn). July speaker is Connie Rohman, speaking on Lost Languages in quilts. It will feature a trunk show. Currently there are only two people signed up for the July workshop where Connie Rohman will be teaching Jelly Jar Fabric Dyeing. Flo will speak with the teacher regarding logistics. If she has not yet bought all the materials for the workshop then will discuss possibly cancelling now and rescheduling the workshop for a different time in the 2019-2020 year. However it was mentioned there is a problem with using Bookwhen to reserve a slot for this workshop. Need to follow-up as there may be more people who wish to attend but were having technical difficulties. August program will feature 3-4 GQG members each demonstrating a tool or technique. The workshop is basically an open sew called "Hooray for the Holidays" where participants are encouraged to work on holiday themed projects of their choice and to bring holiday themed quilts for Show and Tell and display.

Membership/Parker-Ung: The membership team will all work at the tables at guild meetings, Judy will manage the database, Rebecca will attend Board meetings and they will all share in committee duties. Currently there are 74 members pending renewal. Some members have been adding money for Opportunity quilt tickets in their renewals though this item had been removed from the renewal form this year. Membership will contact those members to ask which quilt they want their tickets put towards: Ballyhoo in 2019 or Ca. Poppies in 2020. Going forward funds given at time of membership renewal for Opportunity Quilt tickets will be applied to the specific quilt on a calendar year vs fiscal year basis. Roster printed version PDF has birthdays. Update phone # to designate cell. Roster security decisions integrity. **Motion** (K. Ung) Propose to remove member birthdays from the current online roster by the August Guild meeting and to omit birthdays in printed and online roster going forward for reasons of identity theft. **SECOND** (E. Miyahara). **Discussion:** None. **Vote:** all approve none opposed. Propose having current members sign up to be a welcome buddy for new members; sitting with them at Guild meetings and helping them with integrating into the guild activities. Announcement of Welcome buddy recruitment at the July guild meeting. Will pass a clipboard for sign-ups.

Newsletter/Gray: Articles due Tuesday 7/16.

Fundraising 2019-2020/Read: Have signed the contract with Glendale Civic for the March 2020 show dates. Final payment is due in September. BINGO NIGHT in October. E. Miyahara and B. Hasenauer volunteered to handle cash along with M. Jamora. Cannot play if handling money and also need to be vetted by the City of Glendale. Have sold 50 /135 total tickets to attend Bingo night. Need guild members to step up and volunteer to sell tickets and continue to bring in sponsorships for our Bingo games that night. OPPORTUNITY QUILT: need volunteers to travel with the quilt to different quilt shows/guild meetings. Also need volunteers to make additional tissue holders that are used as incentive gifts for people to buy tickets for the opportunity quilt. K. Wilson, E. Miyahara and C. Dudley volunteered. CRUISE NIGHT on BRAND takes place Saturday July 20. Tina Curran will be organizing this event. Will have a sign-up sheet at the July meeting. VOLUNTEERS: Part of being a guild member in good standing is volunteering a minimum of 2 hours to a Guild fundraising event. We no longer have a single large fundraising event (quilt show)/year which requires a concentrated all hands on deck type of member involvement. Our fundraising efforts now are smaller, more frequent and diverse needing different levels of involvement from our membership. This year we need to identify our volunteer needs for Bingo in October while keeping in mind our volunteer needs for putting on the Quilt show in March 2020. Tim will make an announcement about volunteer hours at the Guild meeting and the many different ways members can satisfy this requirement throughout the Guild year.

Loving Hands/Abrams: Raised over \$600.00 at the Raffle to benefit LH at the last Guild meeting. LH workshop continued work on patriotic quilts and finishing the tulip quilts. Have received a huge fabric donation being used to make flannel blankets and supply fabric for Xmas in July Raffle baskets. In August LH will be selling fabric by the pound instead of having a raffle basket. 38 camp quilts were made and 35 were distributed to Seven Stars Foundation for campers. We are holding the remaining quilts in reserve. Making simple little table quilts for Stitches event in November.

IV. UNFINISHED BUSINESS

Final annual Presidents report will be posted on the website with bylaws and COI policy. Please review the report and let Tim know if there are any comments.

T. Spinn and C. Tanaka worked on inventory of the storage unit on the guild side. Plan is to number each box and have a corresponding spreadsheet detailing the contents of each box.

Philanthropy budget. **Motion** (S. Bishop) Provide a donation of \$100 from our philanthropy budget to the VFW to sponsor a Bingo game at their August event to show support for them and their activities as they are supporting us for our October Bingo night. **Second:** (M. Jamora) **Discussion:** None. **Vote:** All approve.

V. NEW BUSINESS

2020 Opportunity Quilt/T. Curran Fundraising committee has selected Tina Curran's California Poppies paper pieced quilt pattern to be our Guild 2020 Opportunity quilt. Tina will coordinate the construction of this opportunity quilt and has redrafted her original pattern enlarging it to a Queen size quilt (96x96). This quilt will have a total of 77 poppies in 5 different sizes. Will ask members to donate orange and dark green fat quarters and larger and bring it to the August meeting. Will hold two sew-ins between late August-early October to teach paper piecing and have a community sewing time to construct the quilt blocks. Tina will also put together kits for members to take home to sew if they can't make the sew-ins. The goal is to have the quilt top done by the end of October, quilted and bound before the holidays so it is ready to display at Road to California in January 2020. Need to recruit a member with a long arm to donate their time for quilting. They could take a deduction for this since we are now a 501c3. Also plan to make another poppies quilt in the original (smaller) size from the pattern to be the prize for the person selling the most tickets for the quilt. Tina will let us sell the pattern and will split the proceeds of these sales with the guild. All Board members for the 2019-2020 year reviewed and agreed that they will abide by the COI policy of the GQG.

Holiday Block Exchange/K. Wilson. Presented 2 options for the December Holiday block exchange. The Board selected the Holiday Wrappings block – a version of a gift box tied with ribbon and bow. Another option was a 2-sided table runner having Christmas trees on one side and candy corn on the other side. The holiday block will have its kick off in October/November. Some members also commented on having a summer quilt block exchange using the popsicle quilt pattern.

August Board meeting will be on 8/8, the Thursday before the Guild meeting.

Dine-in Fundraising event at Central Grille raised \$294.63. Next Dine-in event will be held on Monday 8/19 at BJs in Glendale. Easy parking and we will get 20% of the proceeds of the total dining or take-out bill; specials and alcohol are exempt.

Get income and expense reimbursement to the Treasurer in a timely manner.

Challenge quilts are due Wednesday 9/11. Adjourned at 8:30

VI. The meeting adjourned at 8:30 pm.

Sunshine and Shadows

It was good to see so many familiar faces of members that have not been at meetings lately. Gail MacCartney was visiting from St. Louis and arrived in time for the earthquakes

Lisa Burroughs had knee replacement and after some complications is doing well

Olga Chasco and Maria Rodriguez were back after illness.

Alice Smith took another fall but is out of the hospital and doing well.

Have a great summer and if you know of any Sunshine or Shadows, please be sure to let me know.

Thanks,
Sharon Bishop, Corresponding Secretary

Our 2020 Opportunity Quilt

At the July meeting, guild president Tim Spinn announced that my California Poppies quilt has been chosen for the guild's 2020 opportunity quilt. You may have seen it at the April guild meeting. It was on display to support that month's raffle when a copy of the pattern and the fabric to make it were the prize.

The design has been tweaked to be queen-sized (96" x 96"). So instead of three sizes of poppies (as seen on the left) there will be five sizes of poppies (as seen in the illustration below.) The quilt will be made by GQG members and, ideally, with fabric donated by guild members. Please bring cotton fabric of any shade of orange and/or dark green to the August and/or September guild meetings. There will be at least two block-making sessions for this project at the Glendale Women's Athletic Club. Those sessions are scheduled for:

Wednesday, August 28th, from 10 AM – 4 PM and
Wednesday, September 18th, from 10 AM – 4 PM

The poppy blocks are made using the paper-piecing method. But if you don't paper piece, don't let that dissuade you from being part of this all-guild effort. If you've ever wanted to learn or would like a refresher course, I will be at both block making sessions all day and will be happy to teach beginning paper piecing to anyone who would like to learn and/or improve their skills. For those who cannot attend either session, I will have block kits at the September guild meeting for members to take and work on at home. The plan is to have the quilt completed before the end of the year so that it can debut at Road to California at the end of January.

To make the queen-sized version of this quilt, we will need 77 poppies. If we make more than that, in addition we'll make a 25" x 40" version that can travel with the opportunity quilt and will be the prize for the guild member who sells the most raffle tickets. Looking forward to making this quilt come to life with all of you!
