## General Meeting, July 8<sup>th</sup> via Zoom

We welcome a new way to enjoy your Guild... via Zoom. Due to our current social distancing situation, we are not having in-person Program speakers for our monthly meetings. However, we are making every effort to bring you a great experience, take a look at the July Program below. We hope you will participate and we welcome any ideas you have for future speakers or online quilt-related activities.

### Zoom information for July's meeting is on page 11

This month's program will feature a presentation of quilts from Gee's Bend. Gee's Bend is an isolated African American neighborhood in Alabama. The town of less than 1,000 inhabitants is bounded on three sides by the Alabama River. These quilt makers are offspring of slaves that worked on the Pettway plantation. The oldest quilts were made in the 1920s. These extremely colorful, expressive, wildly unique quilts are an important part of the history of African American art. You will find these quilts to be an inspiration and see how the images have influenced current quilt makers. Some of the families have been making quilts for three or four generations. To prepare you for the program check out this website: <https://www.soulsgrowndeep.org/gees-bend-quiltmakers>

**Would you like to see Members' studios or sewing spaces?** To share your video tour or photos of your space for the AUGUST meeting and beyond send them to Caren Ryan at [mrsryan@usa.com](mailto:mrsryan@usa.com). Just as your quilts (at the quilt show) inspire others, the ways you organize your space will have the same effect. I still remember visiting Leanne Compean's studio space a couple years ago on the quilt tour. She had a notions holder hanging under her sewing machine. It kept her tools handy (of course one needs to remember to put them away).

### Let's start a Block Party!

We would like to start a Block Party. It's the same process as Block of the Month, but might vary and have more than one idea for you to play with. Here's what will happen:

- A quilt block of a specific design, color combination and size will be featured in the newsletter.
- Members could make from one to five blocks
- The number of blocks turned in determines the number of chances to win
- Place your block/blocks in a plastic bag labeled with your name and number of blocks
- Drop-off your plastic bag at WAC during mask & cap collection

Currently, we are seeking permission from authors and publishers to print their patterns in our future newsletters. During the wait, you may contact Caren Cooke Ryan at [mrsryan@usa.com](mailto:mrsryan@usa.com)

### Let's try this for August:

**Pattern:** Your choice

**Size:** Finished size - 10 inches

**Color:** Bright solids (chartreuse green, shocking pink, yellow, orange, purple) on a black background. Black prints that look like a solid would work, for example a "Grunge" print.

**Due:** Drop-off at WAC on August 7<sup>th</sup> between 11am and 12pm

## The President's Block

Hi all,

In these months of Safer at Home and change, change, change, my sense of time has been warped significantly. It feels like it's been two years since Christmas but May 1<sup>st</sup> seems like yesterday. I am so confused! I learned early on "the only constant in life is change," but *really*?? Thank heaven for the solid foundation of the Glendale Quilt Guild for providing some respite with mask or cap making and Loving Hands quilts to finish. With the encouragement of quilting buddies to try something new I have more UFO's than ever before.

Thank you to the Board members I have worked with since becoming Treasurer two years ago, you've been great. Always dedicated to getting it right, willing to compromise to get it done and mentoring everyone. I have learned so much from each of you. Mentor-in-Chief Tim gets a special shout-out. With calm patience Tim could guide the Board through decisions large, small, difficult or messy. He's organized, knows what to say and when to say it. He's always shared his time, skills and wisdom with all of us. I am so grateful we get to keep Tim as an advisor.

Welcome to new Board and THANK YOU for agreeing to serve! Many are long-time members with a myriad of skills, knowledge and a willingness to help. We are not yet a complete board, but we're working on it. Caren Cooke Ryan has been appointed as Workshops Chair and will be working closely with Robin Lee Hansen, Programs Chair. Rasa Read has agreed to work on Superbloom Raffle fundraising and *if* a spring 2021 show is possible, she will head up our efforts. However, we do need more folks. If you are interested, have no fear, you will be supported. We need a Recording Secretary. This is a great way to learn if you are new to the Guild or to working on a Board. For now, because our Board meetings will be "Zoom-meetings" you can stay in the comfort of your own home. We are also looking for a Fundraising Chair who will lead finding new ways in these social-distancing times.

Most of all **thank you** to the all the GQG members. You are the epitome of an organization being as good as the members – GQG is great and that is due to all of you. We all miss getting together every month at our general meetings, but if June's Zoom-meeting was any indication, we are quickly improving by leaps and bounds. Watch out July meeting!

This year will be different, goal timelines and long-term planning will be difficult but we can make some new Guild commitments.

1. Tailoring our Traditions: Keeping them is important, but will need new ways of doing so
2. Enhancing Connections: We offer a menu of ways to stay connected, but will need new tools
3. Adapting our Charitable Works: Social distancing necessitates new storage and delivery planning
4. Adjusting our Fundraising: Continuing with the SuperBloom Opportunity Quilt and developing new ideas.

Your Board welcomes all Idea-Generators to contact us and share your thoughts on rethinking growing and refining the Guild.

Stay safe and healthy, quilt on and above all  kind! Mary

### SCCQG 2021 Exhibit at Road to California

SCCQG is once again having a special exhibit at the 2021 Road to California Quilt Show. The exhibit will be entitled "Sharing Our Quilts". There is no specific theme, topic or size for the exhibit. The exhibit is to showcase your quilts made during 2019-2020.

Since we have been sheltered at home and have been busy quilting, we should have a quilt we can share at the exhibit.

The deadline to enter is November 1, 2020, so you have plenty of time to create or finish your quilt. The instructions and form for entering a quilt are on the [sccqg.org](http://sccqg.org) website

### Sunshine & Shadows

Thankfully I've not heard of any of our Guild members dealing with Covid-19. I attribute that to the fact that quilters are OK staying at home with their stash and UFOs. I know I am.

While I do miss seeing other quilters, Zoom meetings are a great way to stay in touch even though I feel like I'm on the Brady Bunch.

One of the things that quilters do best is to make do with what we have on hand and ever since my family started camping in the 60's, I have kept a jar of Tang on hand (not the same jar, thankfully). For Mother's Day, my husband made a great casserole for brunch and Mimosas were promised. Unfortunately we had champagne but no orange juice and I didn't want anyone to have to go to the store just for orange juice. So we made do with what we had - Tang Mimosas. They were great!

When the stay-at-home started in March it sounded like it wouldn't last long but now as more and more things are postponed or cancelled it is hard to imagine what summer is going to be like. At this point, I'm considering just putting up my Christmas tree and calling it a Year!

Stay safe everyone and let me know of any news be it Sunshine or Shadows.

Sharon Bishop, Communications Secretary

### Baby Cake LH Donation Challenge Deadline Extended July 17

Our creative quilters have really stepped up for the Baby Cake Challenge. Each entry is adorable! Just when you think that you have seen the cutest one - Boom! another one pops out of the oven and makes it way to LH. Can't wait to share the images with everyone! Fun!

We have been designing and quilting for four months but now our Baby Cake Challenge is nearing its end. It was introduced in January and the deadline was set for July 17. Because we are not meeting each month it is difficult to submit entries. A number of cake makers have turned in their Baby Cakes at Friday donation mask "drop off events". I know that there are members/participants who, for medical reasons must be 100% adherent to CDC guidelines and cannot leave their homes.

If you must still shelter at home, have cooked up a Baby Cake (or two) and want help in getting your quilt to LH- help is on the way. Just contact Cindy Abrams ([cindyabrams2010@aol.com](mailto:cindyabrams2010@aol.com) or 818-621-1122) and she will make arrangements to transport your Baby Cake. A "non-contact" volunteer will drive to your place of residence and pick up your quilt and deliver it to LH. Looking forward to seeing all of the Baby Cakes!

## Loving Hands: GQG's Charity Division

Happy July! One year ago Loving Hands held a Saturday workshop featuring patriotic fabrics. Our goal was to gather in friendship and fun and make some larger lap quilts using pre-cuts. We accomplished a lot and by October were able to present five quilts to the VFW, one quilt to Annie Laurie Babson and another to Craig Coleman.

That was then. And this is now. Following necessary Covid-19 guidelines, we are still unable to have our monthly Loving Hands workshop. But that is not stopping the dedicated LH volunteers from sewing and delivering quilts, receiving blankets, pieced tops, stitched bindings, Veteran Heart pillows, surgical caps and masks - A LOT OF MASKS.

Thanks to Tim, Tina and Beth who organized the Friday drop off/pick up at WAC. They donated their time and energy each week for four months. This has enabled us to continue making beautiful items to donate to countless charities. Tim has listed the organizations receiving the caps and masks in each weekly e-blast. Last count was 1,930. By my calculations, assuming each item takes 1/4 yard, we have used approximately 483 yards of fabric. Now we know why quilters keep such a large stash! We haven't run out, so if you are interested in sewing for our front-line medial workers we will continue to give out fabric and collect donations - now on the First and Third Friday of each month. Just for the record, it should be noted that although LH has been providing fabric and elastic, most mask and surgical cap makers have dipped into their own fabric and elastic purchases. Thank you for selfless donations of your time and your fabric.

The mask/surgical cap donor cumulative list includes: Cindy Abrams, Homa Asef, Annie Laurie Babson, Hester Bell, Katsy Chappell, Tina Curran, Crystal Dudley, Rebecca Fletcher, Kathy Fogel, Dona Garding, Donna Ryan, Robin Lee Hanson, Beth Hasenauer, Mary Jamora, Jane Lai, June McNamara, Elke Miyahara, Anita Nardine, Elvie Quintos, Sandy Ravanna, Marsha Saracco, Maria Schneider, Tim Spinn, Nancy Turney, Sue Vite, Kathy Wilson, Christine (friend of Nancy Turney), Beth Kiffel (friend of Flo Cohen).

Volunteers have been using the mask drop off times to donate the other items mentioned above, too. A few examples; Inspiration struck Nancy Turney when she saw the boxes of LH fabrics and she decided to make a scrappy strip quilt and a red/blue scrap quilt. Leah Bessey, Rebecca Fletcher and Nancy "managed" their scraps and "Pesto Change-o!" heart pillows. Hester Bell has vowed to master free motion quilting and is getting her groove on by quilting LH standard baby quilts. Other quilters donating quilts are Leah, Marlene Dryfuss, Susan Washburn and Kathy Wilson. Another Baby Cake was delivered by Crystal Dudley. Quilts were bound by Elke Miyahara, Mary Jamora, Donna Ryan, Nancy, and Crystal (who also made flannel receiving blankets). Flo Cohen, Robin Lee Hansen, and Karen Millman have all taken home LH projects. Thank you, thank you, thank you to everyone!

Pieced by Marie Watterlond

Quilted and bound by Kathi Wilson

As stated before, if you need supplies to make or finish a LH project, do not hesitate to contact me. I will make arrangements to get you anything that you need. (Marie Watterlond- I haven't forgotten about your half square precuts. Sorry that it is taking so long.)

In May I shared a quote by former President Obama: "If you go out and make some good things happen, you will fill the world with hope, you will fill yourself with hope." You are definitely making good thing happen. I hope that all of our loved and appreciated volunteers are each month more filled with hope than the month before. Stay well, be healthy.

### Quarantine "Twin Pop" Popsicle Block Exchange

Hurrah! We've figured out how to manage this fun exchange during the quarantine. Make 9 blocks at 12 ½" X 12 ½". Save 1, put 8 in a baggie with your name on it. Drop off at WAC during the next 2 Friday Mask Drop Off days: June 19th or July 3rd. After July 3rd we'll sort them and have your baggie (filled with 8 wonderful blocks from other guild members) ready for pick up at WAC July 17th. If you need us to pick up your blocks and/or return your blocks to your home please just let us know and we will make that happen! By late summer you could make a delightfully festive little quilt (for you or maybe even for Loving Hands). Would you like to make a bigger quilt, or maybe two quilts? Just make a second batch of popsicles in a different color way and place in a separate baggie. Please make your background white or white on white and your popsicles two contrasting shades of the same popsicle color.

## Membership

Thank you to everyone who has already renewed their 2020-2021 membership. 15% of our members have already renewed. Let's keep that number growing!

You can find renewal forms in this newsletter and on our website. If you are having trouble printing out a form just email Judy [judyparker888@gmail.com](mailto:judyparker888@gmail.com) and she will mail you one. Since we have a new form this year it is important that it is completed and returned with your check. The forms provide a place to express your interests for future programs and workshops, and to indicate the ways in which you might like to become more active in helping the guild. Your answers will be considered so please make your voice heard.

Thirty seven people attended the virtual guild meeting in June. Tim presented a wonderful slide show on the guild's happenings and members were able to share things they have been working on.

As social distancing for safety during the pandemic is still ongoing, the guild is creating more ways for members to stay connected virtually. We hope to see you at the monthly guild meeting, the Fourth Wednesday Virtual Sew Day or on social media. You can find details in this newsletter. If you have an idea for a virtual guild activity and think you can help with it, we would love to know.

Your Membership Committee, Homa Asef, Judy Parker and Rebecca Fletcher

## Loving Hands Reaches Lithuania

You may remember that last year I was able to display 2019 Opportunity Quilt Ballyhoo at the Lithuanian Festival in Los Feliz. At the festival, I shared a space with a Lithuanian charitable organization [Daughters of Lithuania](#). If you want to learn more about the organization, ask me (or Google them). They do amazing humanitarian work for poor families, with a special focus on children and seniors. We donated several Loving Hands quilts to them, and I wanted to share a note that I recently received from Darija Žaliūnas, president of [DOL](#).

Darija writes: Here are a few photos from the places that I sent two of the four donated quilts to:

This first one is from the [Pamūšio Home for Children](#) in [Pakruojis](#). We have a very close relationship with Father Remigijus Čekavičius, the director of the home there and while he was visiting Los Angeles in February, I gave him one of the quilts to gift to a little girl there.

She absolutely loved it and was particularly touched to see that it was "Hand Made" for her.

The second quilt was sent to the [Paparčiai Home for Children](#) in [Kaišiadorys](#). On April 28th baby Motiejus was brought home there and given the beautiful baby quilt.

Thank you for your support and care. Keep making those quilts, and know that every loving stitch brings joy to someone less fortunate than we are.

### III. BOARD and COMMITTEE REPORTS

**Vice President/Dudley:** Next SCCQG meeting is Saturday 7/18/202 via Zoom. This meeting is by invitation only. Contact Pam Overton at [pam@travelingquilters.com](mailto:pam@travelingquilters.com) with your email address. Enter SCCQG July 18 meeting in the email subject line and identify what guild you belong to along with your email address. Topic for this meeting: Guidelines for Guilds in conducting virtual meetings. Membership dues will increase to \$65 for those Guilds that don't pay in a timely fashion. Meet the Teachers has been permanently cancelled until April 2121. SCCQG has offered teachers the option to create 3 minute videos providing an overview of lectures and workshops. It is hoped to have the video links and virtual lecture information up on the SCCQG website by end of June. SCCQG Road to CA special exhibit is still scheduled. Theme: Sharing our Quilts. All quilts made during 2019-2020-no specific theme or size limitation. Stephania is coordinating this. Pictures and application due 11/1/2020. Entry information will be included in the newsletter. Cancelled June Guild meeting at the Church and we will continue to update the church on our meeting plans on a month by month basis. Will provide masks to Church if they ask.

**Treasurer/Jamora:** Presented May Report.

**Communications Secretary/Bishop:** No news. Received a Thank you note from Henry Mayo Newhall Hospital for face mask donation. Called some folks to see how they are doing. All are well.

**Parliamentarian/Miyahara:** For the recent election run on line and by mail we received the equivalent of an in-person meetings worth of responses. All newly elected officers were notified. New Board for 2019-2020 fiscal year: Mary Jamora-President; Beth Hasenauer-Vice-President; Kathy Fogel-Treasurer; Sharon Bishop-Communications Secretary; Elke Miyahara-Parliamentarian; Robin Lee Hansen- Programs/Workshops; Rebecca Fletcher & Judy Parker-Membership; Ellen Gray-Newsletter; Cindy Abrams-Loving Hands. Mary Jamora will appoint Caren Cooke-Ryan as co-chair of programs and workshops at the July Board Meeting. There is a possible candidate that could be appointed as Recording Secretary. Fundraising position remains open.

**Programs /Workshops:** Turney/Cohen. Will have a June Zoom meeting; a social with new Board members popping in to say Hi as well as a show N Tell highlighting the WAC quilters exhibit hung in the Adams Square Gas Station this week. Starting Zoom meetings in July. August is our next speaker, Elizabeth Eastman, on the "Influence of Technology on Quilting" and see if she will move to Zoom and if her workshop would be adaptable to Zoom. Plan in July for the Sept meeting. We will re-book Lloyd Askew with program and Featherweight workshop in 2021. Flo and Nancy will assist Robin and Caren with programs/workshops including Bookwhen instruction.

**Membership/Fletcher:** Not sure of renewals. Requests for mailing of renewals. Will help to facilitate renewals by putting renewal form in the newsletter.

**Newsletter/Gray:** Articles are due 6/16/2020. July meeting will be a Zoom meeting. Need to strategize the particulars of access to the meeting link. Should we consider recruiting Guild Sponsors that are not quilting related to generate income? 2 years ago we had 10 affiliates and now down to 3. Also include a For Sale section in the Newsletter. We are limited to 12 pgs printing. This is an agenda item for the new Board. Caren Ryan to put ideas together for discussion in July.

**Fundraising 2019/Read:** Nothing to report. If the guild attempts to do the same Quilt Show in 2021 Rasa would be willing to head it. The Glendale Civic offered two possible dates for rescheduling; October 2020 and March 2021 (last weekend). Left with the Civic that as we normalize activities we will contact them. Doesn't need monetary deposit, just a save the date email.

**Loving Hands/Abrams:** A lot of participation-piggybacking with mask drop-off on Fridays. Cindy is doing both pickups/drop-offs and fielding private calls for LH work. There are no quilts going out d/t COVID. Have a need for label sewers. Mask drop-off days will move to first and third Fridays of the month.

**Standing and Special Committee Reports:** Email blast: Contact Tim for the email blast. With COVID quarantine have been sending them out twice weekly. Next one will include SCCQG newsletter link and Show N Tell. Facebook updated with email blast. Seems to be popular. Rebecca set up an Instagram account. Send to her as well.

Updated storage inventory. Added 24 boxes of priced merchandise for Boutique and Melinda Helscher donated 15 boxes of fabric that were also put in storage. Mary Jamora and Cindy Abrams are the two (continued on page 9)

## Executive Board Meeting Report – con't

members who need to approve our intake of each donation. Need to be careful not to overload our storage capacity. Kathi Wilson also has a play house full of fabric that was a donation to the Guild.

**OLD BUSINESS:** refer to programs/workshops re: conduct of June/July guild meetings on Zoom.

**NEW BUSINESS:**

Guest Tina Curran: Gave power point report of Guilds in N. California use of Zoom for Guild meetings. A lot of good information and ideas presented for our guild to consider. SCCQG will present on a similar topic at their July meeting.

Costs of Zoom and Mail Chimp to the Guild: A Zoom account for the Guild would cost \$14.99/month. This account would cover up to 9 hosts. It is slightly cheaper to pay for the year however for right now we authorize a month/monthly payment for a Guild Zoom account. Our current free Mailchimp account can no longer be transferred to another person. We need to pay for an account. The free account only allows one host and one contact list where Mailchimp essentials allows 3 hosts/3 contact lists for \$9.99/month.

**MOTION:** (Elke Miyahara, Judy Parker second): Guild invest in the \$9.99/month version of Mailchimp. Discussion: none; Vote unanimous to proceed. Mary Jamora will create a new account. We will also look at Groupworks and consider if this might be a better future alternative.

Super Bloom Opportunity Quilt Sales over website: D/t time constraints defer discussion to a separate meeting to be scheduled with a small group: Mary Jamora, Tim Spinn, Rasa Reed, and Beth Hasenauer.

Meeting adjourned 8:45pm

Beth Hasenauer, Recording Secretary

II. The minutes of the previous meeting were approved as printed in the Newsletter.

**III. ANNOUNCEMENTS**

During the Stay at Home period, we have been sending emails using Mailchimp twice weekly. If you haven't been receiving them, please double check your trash or spam folders. Next Board Meeting is Thursday July 2, 2020. Next Guild meeting is Wednesday July 8, 2020 using Zoom. Enter your name in the chat function so we may note how many attendees we have for this meeting.

**IV. BOARD REPORTS**

Vice President/Dudley: It is my pleasure to introduce Kathi Wilson, GQG's newest Honorary Life Member. The Guild is thrilled that Kathi is our newest Honorary member. From Kathi: "Thank you to the Guild for this honor, you should know that it takes a village and every member asked to help - not only helps but goes above and beyond what they were asked to do." The next SCCQG meeting is Saturday 7/18 using Zoom. This is an invitation only meeting. Email Pam Overton at [pam@travelingquilters.com](mailto:pam@travelingquilters.com) if you would like to attend. Put SCCQG July 18 meeting in the email subject line. SCCQG will have a Road to CA display for 2021. The theme will be Sharing our Quilts. Entries are due November 1. There will be more information in the next newsletter.

Treasurer/Jamora: Presented the May Treasurer Report. No fundraising in May. Rent at church is on a month to month basis. We do not pay if we do not use the church that month.

Communications Secretary/Bishop: So nice to see so many people participating on Zoom. We look like the Brady Bunch. Thankfully no news. Everyone seems to be staying safe and well. Please call me if you hear of anything concerning guild members.

Parliamentarian/Miyahara: Installation of officers for 2020-2021 GQG Board. Hello and a big thanks to current officers and Board members for all they have done and the nominations committee who did a lot of work while I was sailing around S. America.

Welcome to the new Board: Mary Jamora: President; Beth Hasenauer: Vice-President; Sharon Bishop: Communications Secretary; Kathy Fogel: Treasurer; Elke Miyahara: Parliamentarian; Robin Lee Hansen: Programs; Caren Cooke Ryan: Workshops; Homa Asef, Rebecca Fletcher & Judy Parker: Membership; Ellen Gray: Newsletter and Cindy Abrams: Loving Hands. Offices that are still open are Recording Secretary and Fundraising Chair 2020-2021. Rasa Read has agreed to chair and coordinate a Quilt show if it is done next year 2021 following our same plan as we had in place for this year when we had to cancel d/t COVID restrictions.

Programs & Workshops/Ryan: Programs for the rest of the year are being rescheduled and adjusted for Zoom if possible. For the July meeting we will have a presentation of Gee's Bend quilts that Robin L. Hansen will be narrating. Nancy Turney will coordinate a workshop "Don't be Square" It will be up to you to put your personal touch on it once you learn the technique. We ask for a \$10 participation fee for the workshop. For the August program we would like to show members sewing studios. Feature 2-3 people to do a tour of their studio. Or submit a photo of your studio to share. Gives other members ideas about how to organize your studio. Interested in starting a Block of the Month in July. Kathy Fogel will forward a BOM idea she had been working on to Robin/Caren to consider. We are working with our previously scheduled September speaker about doing a Zoom presentation and workshop. For the workshop she would be featuring the techniques of Laura Heiney. Still making contact with Oct/Nov speakers. Forwarded featherweight and Quilts and Technology speakers to 2021.

## General Meeting Report – con't

Membership/Asef-Fletcher-Parker: We are urging members to renew their Guild membership. The renewal deadline is the end of June. We reworked the renewal form where you can indicate your interest in certain Guild activities. The form will be in the newsletter and is also available on the website. Contact Judy with questions.

Newsletter/Gray: Articles due on Tuesday June 16, 2020

Fundraising/Super Bloom Opportunity Quilt/Hasenauer: The state of CA will not allow the sale of raffle tickets online however we can advertise. We have created a raffle ticket reservation form which you will be able to obtain on line or through the July newsletter to reserve your raffle ticket books. We will take cash, check, money order or credit card with payment using Square technology. Complete and send in your form including payment or credit card information to the PO Box address and we will send back a confirmation email/letter indicating your ticket numbers as proof of purchase. We will but name and phone # on the tickets and place them in the bin. We will not be sending back the ticket stubs. If you have address label you can send them along with payment. We will also investigate with other guilds to see if we can send our form and a picture of our quilt for their meeting. Any thoughts on creative ways we can sell tickets for this beautiful quilt contact Rasa Read, Beth Hasenauer or Mary Jamora. As a note. Mary Jamora has written a procedure as to how we will handle the credit card information we receive to keep it secure. This procedure will be available on the website and by request.

Loving Hands/Mask Drop off Sessions/Abrams & Spinn: A sampling of LH quilts were displayed on screen showing the variety of block patterns and fabrics old and new that are used to create the beautiful quilts that we donate. One of the quilts shown was bequeathed to LH by one of the first LH members, Nancy Foote when she passed. She gave many quilts she made to LH. Trying to do current inventory. 100 quilts received so far during quarantine along with 60 post-operative heart pillows. Forty of these are going to a surgical unit in Westwood next week. (in plastic bags). Guild members have sewed and donated 1930 masks/caps for the community. For the summer Mask/Cap drop off sessions will be held on the first and third Fridays of the month. Next drop off session is Friday 6/19 11am – 12 noon at WAC. To maintain physical distancing only one person at a time will be let in the building. Fabric boxes are placed outside 6' apart so you can pick your own fabric at your leisure. Completed and quilted Baby Cakes quilts for the LH Quilt Donation Challenge deadline is Wednesday July 8. Currently there are about 20 completed quilts. Cindy will pick up if you are uncomfortable dropping yours off at WAC.

GQG Weekday Zoom Sewing Group/Fletcher: I would like to propose a virtual sewing day for guild members. We would check in by Zoom 3x during the day morning when getting started, at lunch time to be together and share with each other and then to wrap up and show what we have worked on during the day. Results of the Zoom poll show a preference for Wednesday. Need to recruit one to people with paid Zoom accounts to act as hosts for this event. Contact Rebecca if you are interested. A Zoom account costs \$15/month. Will consider a weekend event later on for those who cannot join during the week.

Program-Slide Show: Woman's Athletic Club (WAC) Quilters Department art installation "Road Trip: Travel Destinations Depicted through Quilts" currently on display (until July 10) in Adams Square Mini Park gas station, located at 1020 E Palmer avenue at the corner of Adams and Palmer Avenues in Glendale. Ten quilters, many who are also GQG members, contributed quilts depicting vacation destinations in California and beyond using both traditional and modern quilting techniques. Maria Schneider (Villar) lives in Adams Square and is a graphic artist and WAC/GQG member. She hit on the idea to apply for grant sponsored by the City of Glendale Arts and Culture Commission. She and Cindy Abrams wrote the grant which was peer reviewed and accepted to be one of the art installations in the Adams Park Gas Station this year. WAC Quilters will receive \$1000 from City of Glendale for being selected. Neighborhood residents walked by while the exhibit was being hung and were excited to have art exhibits back in the Gas Station again. Thank you Maria for your idea and work to bring this project to fruition. There is a New Grant application. GQG can apply to Arts Council for a grant with an exhibit for next year. Maria will be our graphic artist. Theme: Sheltering in place. Quilts related to our homes and shelters. Fantasy homes depicted thru quilts. Can be anything. Our house BOM quilts could apply. More details will be in the July Newsletter. Email a picture by 7/15 name and size of the quilt for participation. Large lap quilts and smaller ones are better for the space.

Show and Tell: For our Zoom meetings we need a Show and Tell coordinator who will arrange to get pictures and descriptions/anecdotes of quilts members want to show for show and tell. These need to be assembled in a presentation to be displayed on Zoom. This is the most effective way to display what we would like to show to the group. A slide show of member quilts followed.

Meeting Adjourned at 7:55p.m.

Beth Hasenauer, Recording Secretary

## June Zoom General Meeting and Social Time

Thank you to everyone who attended the June Zoom meeting on June 10, 2020. As the guild adapts to changing times we will use all of our resources to keep you informed about guild activities, continue our tradition of informative speakers, support our charitable causes, and have fun!! The meeting had over 40 participants! Way up from attendance for the first social time in May. We heard from members near and far about how exciting it is to be able to attend the meeting, see friends, and keep in touch with each other in a new format. Our most distant attendee was Joni Kellam, who joined us all the way from Texas. Leanne Compean joined from her new home in Indio. Many others joined us from their homes locally. Some members said they were happy with the Zoom meetings because they no longer drive at night and had stopped attending meetings. Others said they could hear everything so much clearer. One person said "Best Zoom ever!"

The presentation about the WAC Quilter's Department went over very well, and has been shared in an email blast to members. Thank you to Maria Schneider and Cindy Abrams for providing all of the photos and information about the exhibit. Don't forget to stop by the Adams Square Mini-Park at the corner of Adams and Palmer in Glendale to see the quilts in person.

## Glendale Quilt Guild Election Results

Thank you to all 56 members who responded to our election ballot via email or snail mail. Since that is about the same number of people who would normally attend a general assembly, the vote was accepted as final. There was one nomination from the floor for a vacant position, but due to current circumstances of not being able to meet in person, that individual can be appointed to the position as of July 1, 2020 by the President.

The following positions are still open: Recording Secretary and 2020-2021 Fundraising Chair. Beth Hasenauer volunteered to closely mentor anyone interested in the Recording Secretary Position. Rasa Read is willing to chair a Quilt Show Committee for 2021. Caren Cooke Ryan has been appointed as Workshop Chair. She and Robin Lee Hansen, Program Chair, will be working closely together. Homa Asef volunteered to continue working with membership. These await approval in July by the President.

## Would You Like to Know More About.....Monica Carrillo?

**Where did you grow up?** San Gabriel, CA

**Do you have any siblings?** I have three sisters, Christina, Jennifer and Leticia. I am second born.

I am not married nor do I have children.

**What do/did you do for a living?** The majority of my career has been at the Autry Museum of the American West in Education. I teach tours, lesson planning, workshops, and summer classes. I have been lucky to try lots of different positions. I just received a promotion to move into being the School Tour and Group Sales Coordinator. Years ago The Autry had a quilt exhibition and the GQG participated in public programming. That

Monica and her  
Godson Gabriel

was how I became aware of this group of women and their very generous work.

**How did you get interested in quilting?** Cindy Abrams is a friend who introduced me to sewing. She asked me what I wanted to make. And I responded very naively "A quilt!"

**Why type of quilts do you prefer to make?** Anything that inspires me really. I am still learning and love to take classes. I would say I am still traditional.

**Year joined guild – 2016 How did you hear of GQG?** I have Monday's off so I was introduced to WAC and the Monday Quilters!

**Favorite quilt show besides ours.** Road to California is great. But I would love to travel to other shows or Quilt museums!

**Favorite quilt teacher, show, magazine, website:** I am currently obsessed with Missouri Quilt Star Co. and exploring YouTube! So fun and addictive. Instagram is great to see designers, quilts, material, and they are always having give a ways! I have enjoyed several guild classes that have been wonderful. Mel Beach and the orange peel class comes to mind.

**Other hobbies:** Before sewing Cindy taught me to crochet. For many years I created crafts for children and festivals so I missed that creative outlet. Quilting allows that creativity and planning I miss. I would love to learn how to knit and create totes and stuff. Always learning a new hobby to keep busy. If not I have my nose in a book.

**Tell me something about yourself that others may be surprised to know about you.** I love the outdoors. Our family loved camping and hiking every year in Yosemite. I have been lucky to have traveled to Toronto, Hawaii, London, Paris and Amsterdam. I have Italy, Scotland, Spain, Australia and New Zealand still on my bucket list.

## Donation Drop Off

This is what 123 surgical caps and 82 masks look like sorted and being readied for donation. A lovely and satisfying sight! We were told that hospital employees enjoy looking through the donations and choosing fabric themes that they like. "It's like Christmas!" was overheard. Let's keep acknowledging the efforts of our frontline healthcare workers and showing out appreciation through our Loving Hands donations.

Beth's tally for the day. She's got the day right, but took some time to figure out the month. Ha ha! 😊 A byproduct of sheltering in place. 😊

**Reminder:** Mask drop-off days will move to first and third Fridays of the month.

## Road Trip in Adams Square Park

Road Trip is an installation which depicts vacation destinations in California and beyond. Even though GQG's March quilt show needed to be cancelled this smaller installation was able to "hit the road" so to speak. The WAC quilters division applied for and was awarded a grant of \$1,000 which will go toward WAC general operating funds.

It was installed on June 1st and will be displayed until July 10 at the Adams Square Historic Gas Station at the corner of East Palmer and South Adams. The building was constructed in 1936 in the Streamline Moderne Style and currently serves as the focus of a community park.

The Quilters Division of the Women's Athletic Club invites viewers to experience, Road Trip: Travel Destinations Depicted through Quilts, an art installation. Viewers will identify the journeys and destinations through 15 quilts created by ten individuals through the art of quilting using both traditional and modern quilting techniques. Quilters who volunteered to be part of this exhibit are:

Hester Bell, Kathy Fogel, Cindy Abrams, Kathi Wilson, Flo Cohen, An Burgess, Jennifer Chon, Tim Spinn, Maria Schneider and Merylee Schaefer. All are members of the GQG.

"These quilts are so beautiful, even more in real life because you get to see all the different fabrics they are made of, and the small details. Now we want to learn how to quilt ourselves!"

xxx♥ Yossi and Esther

The art critics, pictured, are neighbors of Cindy Abrams. They visited the exhibit in its second week.

As of press time, you won't have much time left to "motor back in time" to this charming display. But we urge you to jump in your jalopy and take a peek before it closes. Adams Square Mini Park 1020 East Palmer Avenue, Glendale.
