WORKSHOP: “Weave a Quilt with Me”,

September 11th, 3 hours, 9 AM-12:30 PM, \$40 register on Glendale Quilt Guild website, on BookWhen, <https://bookwhen.com/ggregister#focus=ev-s5nw-20210911090000>
NO SEWING MACHINES needed, only a spirit of adventure! In this playful workshop, you'll weave with fabric strips and ribbons, to make a skinny quilt/table runner, wall hanging or art quilt, album cover, pillow top, Christmas stocking, or project of any size. Eleanor will share lots of ways to combine weavings, quilt and finish the edges of your fabulous, original piece after the class ends.
There is a video on Eleanor's website, <https://www.eleanorlevie.com>, that she recommends you watch. It's short. It gives one an idea of how versatile this weaving technique is for beginners, traditional quilters and art quilters.

The President's Block

Hi All,

Mel Beach gave us a great presentation in August. It was a creative, dizzying array of tools, methods and ways to practice skills you would like to improve. I was impressed how she combined these tools within with the 100-Day Challenge. While the Challenge can cover limitless options, Mel focused on her passion - Quilt Art. One of her 100-Day Challenges was to make a 7" stylized free-motion composition. Every day she rolled the dice, translated the skills needed to produce her block and when the Challenge was finished, she had a quilt named "100 Days of Dice Doodles." I am mulling it over -

can I commit to 100 days? I'll let you know next month when I am 30 days into it or not!

If you want to keep up with Mel, here are a few ways:

- Click the following link to Mel's Website: www.melbeachquilts.com
- Click the following link to sign up for Mel's monthly newsletter: <https://melbeachquilts.us16.list-manage.com/subscribe?u=3db5aef333f6e5c3848a3aee6&id=9dd9a1f844>
- Click the following link for Mel on Instagram: <https://www.instagram.com/melbeachquilts>
- Click the following link to Mel's *Design by Dice Gallery of Projects (includes Dice Game Plans)*: <https://melbeachquilts.com/gallery#/designbydice/>

When it came to games, Mel had a teacher tell her, "If you had fun, you won!"

New Ways of Adapting:

1. Tailoring Traditions: Mel's presentation fit this perfectly - new creative ways of skills practice.
2. Enhancing Connections: We have a plan for a hybrid Guild meeting. Thank you to Tina, Beth, Tim and Tom in Nebraska. However, all is predicated on the current Covid situation improving.
3. Charitable Works: Another Loving Hands Work Day coming up on Monday, September 13th at WAC. Plan to drop-off or pick-up Loving Hands projects during this Work Day. LH Days is adding a couple evenings and Saturdays for those who want to participate, but are not available during the week days.
4. Fundraising Ideas: Bingo Night has tentatively been scheduled for Saturday, November 13... only if the LA County Public Health Guidelines change and we have a volunteer team ready to go.

Please, please, be safe! Wear your mask and stay six feet apart. Know who you are meeting with and when you are meeting up with others, plan it for outside. You are important to all of us. This pandemic is not giving up easily. Recently, a dear friend lost her brother to Covid. The sadness an unfinished life leaves behind is heartbreaking.

And above all,  kind...Mary

Some very good news, Ellen Gray is home recuperating from a kidney transplant. Kathi Coleman Wilson is recovering from hand surgery although it is going much slower than Kathi would like. Sadly, Beth Hasenauer's mother passed away. Our sincere sympathy to Beth and her family and best wishes for a speedy recovery to Ellen and Kathi. Sharon Bishop

Lantern Block Exchange Update

Lantern Block Exchange: What a great success! The blocks were bright and delightful and we received 26 sets of blocks from 23 participants. Two sets made it back to Kansas and a set was sent off to Colorado.

Please pick up your blocks Monday September 13th at WAC between 9am and 3pm. Thanks to everyone for playing.

Andrea Terry delivered 50 GQG heart pillows to USC Verdugo Hills Hospital. They were thrilled to get them! Several nurses were familiar with them having worked at the Keck Medical Center where our pillows are used. One pillow was immediately selected for a patient suffering from a traumatic experience. The ladies standing with Andrea are the Chief Nursing Officer Theresa Murphy (left) and Bridget Berg, who oversees the Volunteer Office. Bridget is the Hospital's and Guild's contact for these wonderful gifts.

GLENDALE QUILT GUILD AUDIT COMMITTEE REPORT

The Audit Committee (Mary Ann Kroening, Merylee Schaefer and Kathi Wilson) met on July 7, 2021, to assess the financial position of the Guild and, also, to ensure that proper procedures are in place that are adhered to by the Treasurer and others.

The audit was for fiscal year 2019-2020 and the months selected for audit were July 2019 and October 2019. Findings of the Committee are as follows:

- The Committee observed there are written procedures and that they are followed.
- The Committee found the financial records are filed in logical order and are easily accessible when needed.
- The Committee found, with the exceptions noted, all requests were properly documented.
- The Committee determined Board approval was obtained prior to entering into any long-term commitments.
- The Committee observed all required reports have been completed and properly submitted.

Conclusion: The Audit Committee finds that proper accounting practices and procedures are being followed and adhered to. All records are kept and filed in an orderly manner. It is the opinion of the Committee that all is satisfactory and are making no recommendations for any changes.

Executive Board Meeting Report

GLENDALE QUILT GUILD EXECUTIVE BOARD MEETING MINUTES AUGUST 5, 2021

I. The **meeting** was called to order at 6:32 p.m. by President Mary Jamora via Zoom and a quorum was present. Present: Mary Jamora, President; Sharon Bishop, Recording Secretary; Kathy Fogel, Treasurer; Elke Miyahara, Parliamentarian; Caren Ryan, Programs/Workshops; Rebecca Fletcher, Membership; Tim Spinn, Advisor, Tina Curran, Virtual Ambassador and Cindy Abrams.

II. The **minutes** of the previous meeting were approved as printed in the Newsletter.

III. BOARD AND COMMITTEE REPORTS

Vice President/Jamora: SCCQG is conducting a survey to determine virtual/in person guild activities during and beyond the pandemic. The next SCCQG meeting 10/9/2021 will be on Fundraisers. For our 2021 Opportunity Quilt, a raffle ticket sales thermometer has been created with a target of \$3,500. Our California raffle authorization has been renewed for 2021-2022 and we have submitted a request to display our 2022 Opportunity Quilt at Road2CA. Road2CA is calling for guilds to provide quilts to hang from the ceiling in the Foyer. We have a proposed contract with WAC for use of the facility which includes 24 dates July 2021 through June 30, 2022 at \$80 per event and a one-time payment of \$100 to cover occasional use of kitchen facilities. The GQG September hybrid meeting has been postponed to October due to the facility requirements and use information we recently received from the church which includes: use of masks, social distancing, temperature taking, and contact tracing information. The remainder of 2021 will cost \$225 per meeting, increasing to \$250 per meeting through 2022.

Treasurer/Fogel: The July Treasurer's report was given. We are off to a good start. The Audit for 2019-2020 has been completed and the findings will be presented soon.

Membership/Fletcher: We have one new member, Mutia Hull, who joined as a result of the Fabric Sale. Renewals are currently at 63%. Those who renewed by July 31 will be eligible for a drawing to be held in September and those renewing by August 31 will have their information included in the roster. Homa & Mary have been sending thank you notes for donations and Kate is managing the database. Two volunteers, Elvie Quintos and An Burgess stepped up for the Welcoming Committee.

Newsletter/Miyahara: Elke is assuming Newsletter duties during Ellen's recuperation. Deadline for articles is August 17.

Loving Hands/Wilson: The Fabric Sale was a big success making \$1,874. After the sale, 15 boxes were given to the French General for the Navajo Indian Project, and the 24 boxes left were taken to Remainers. A huge thank you to everyone who helped make it a success and especially to Mary Ann Kroening for providing her fabulous movers who did all the lifting and moving of approximately 100 boxes. We are trying to pare down the amount of fabric and unfinished items in storage by encouraging finished quilts and offering events that focus on finishing quilts. The August Loving Hands Day had 13 participants working on pairing Christmas tops with backings to be ready for quilting. In an effort to include those who cannot participate in the Monday Loving Hands events, a few evening events are being considered with ideas for techniques to learn more about binding, quilting and String Blocks. Potential dates to consider for 2021 are Saturday 9/18, from 9-3 and Monday 11/15 from 3 -9; and for 2022 Monday 3/21 from 3-9 and Monday 5/16 from 3-9. A suggestion was made to change some of the Mondays to Fridays. Verdugo Hills Hospital has requested pillows for breast cancer patients and we have a good supply. Quilts were delivered to victims of the recent fireworks explosion in South Los Angeles. A charity new to Loving Hands is Soldiers' Angels Baby Brigade, a national organization providing baby showers for expectant families of the military community. They can use quilts of assorted sizes. The Lantern block exchange had 23 participants 3 of whom did 2 sets each.

Programs/Workshops/Ryan: In an effort to determine whether or not to standardize workshop fees, a discussion ensued. Things to consider were whether the workshops are conducted by professionals or volunteers, cost and length. It was agreed that we should standardize but review annually. A **motion** was made by Ryan that for a professionally led workshop we charge members \$45 for a 6 hour class and \$30 for a 3 hour class and for non-members we charge \$55 for a 6 hour class and \$45 for a 3 hour class. The motion was seconded by Fogel and it passed unanimously. A **motion** was made by Ryan that for member-led workshops we charge \$10 for members and \$15 for non-members. The motion was seconded by Fogel and passed unanimously. A **motion** was made by Ryan that we approve a workshop led by Kathi Wilson, titled *Fun and Easy Quilts for Causes* for November 12, 2022 from 9 to 3. The motion was seconded by Miyahara and it passed unanimously. A trifold can now be prepared for 2022.

Sunshine and Shadows/Bishop: Very sorry to report that Beth Hasenauer's mother passed away and we send our condolences. Unless there is someone who would like to take over Sunshine and Shadows, Sharon offered to continue.

IV. OLD BUSINESS

Panda Express/Abrams: August 20th is a fund raising event with Panda Express who will donate 28% of the proceeds of that day's food purchased on-line using a code and picked-up at any Panda Express across the U.S.

Montrose Arts and Crafts Festival/Jamora: We are currently scheduled to participate in the Montrose Arts and Crafts event October 23 and 24, 2021. We will need a volunteer to lead a team for this.

Bingo Night/Jamora: Tentatively scheduled for November 13, 2021. We will need a volunteer to lead a team for this event as well.

Website Update/Jamora: Currently under construction is Loving Hands, community outreach and blocks and challenges. Still on track to be ready by Thanksgiving and go live by December 1st. Up-to-date photos of current Board Members are requested ASAP.

Conflict of Interest Policy/Jamora: The Conflict of Interest Policy was provided to all Board Members.

VI. The **meeting** adjourned at 8:23 p.m.

A request to display our 2022 Opportunity Quilt at Road2CA has been submitted and we are waiting to hear. **Upcoming meetings** - We have postponed our September hybrid meeting due to the requirements of the church which include use of masks, social distancing etc. following the LA County Public Health Guidelines. Our month-to-month contract with the church is for \$225 per meeting for the balance of 2021, increasing to \$250 per meeting for 2022. We have a proposed contract with WAC for use of the facility which includes 24 dates July 2021 through June 2022 at \$80 per event with a one-time payment of \$100 to cover occasional use of kitchen facilities. **A poll** of tonight's participants was conducted with the question: If we had a meeting that is both in-person and via Zoom (hybrid), how often would you attend if the speaker was in-person? 1) Every meeting I could in-person; 2) Probably half in-person and ½ via Zoom; and 3) I would attend via Zoom. The results were pretty evenly split in thirds. 1) 32% - 9 members; 2) 36% - 10 members; and 3) 32% - 9 members. 5 members did not vote and that may have been non-locals and there was 1 guest.

Membership/Fletcher: We have a new member who was inspired to join when she came to the Fabric Sale. She has already participated in Loving Hands. 63% of members have renewed. Recent deliveries made were: Shriner's Hospital, Pasadena Humane Society, Disney Family Cancer Center, Daughters of Lithuania, Optimist Youth, 50 heart pillows to Verdugo Hills Hospital for breast cancer patients and 22 quilts to families in South Los Angeles affected by the fireworks explosion. Membership

*Remember
to Renew*

We are happy to report that 63% of our members have renewed their memberships. Everyone who renewed by July 31 will be entered in our drawing for \$45 towards a guild workshop. The drawing will be conducted at the September General Meeting. There are no losers in our membership drive, as noted before, we all reap the benefits of our guild. Our roster will go to print in September. If you have not yet sent in your 2021-22 membership renewal, please do so right away in order to guarantee that you will be included in the printed roster. Our online roster will be updated throughout the year so late renewals will continue to appear there.

We are excited to welcome new member Mutia Hull from Sierra Madre, California. She learned about our guild after seeing a notice for the Loving Hands pop-up fabric sale on Facebook. It was there that she talked with members Kathi Wilson and Mary Jamora. Kathi offered to help her pin a large quilt, which they did the following week at WAC. Mutia not only decided to join our guild, but she has already begun sewing for Loving Hands, she has also already made herself a skirt with fabric from our sale. Mutia is an experienced sewer who has been doing many crafts since childhood. She began sewing on a hand-cranked sewing machine. Undeterred, she was able to prove to her mother that she was responsible and committed enough use an electric one. Now Mutia teaches a few young girls how to sew. She is happy to share her skills with the next generation. She enjoys using her embroidery machine to add fun, cartoon characters to baby's quilts. Welcome Mutia!

If you are not sure how to get more involved in the guild or are feeling disconnected after this year and a half of social distancing, please reach out to one us. The membership team is here for you!
Kate Ung, Homa Asef and Rebecca Fletcher
